- 213.** Return to an Order of the House of the 30th April, 1923, for a Return showing:
1. Whether the Government, since Peace was signed, ever considered the utilization of Valcartier Camp grounds. If so, what the result was of such consideration. 2. Whether it is a fact that this land, formerly under cultivation, is now a complete loss to agriculture as well as to the Municipality of Ste. Catherine, on the outskirts of the City of Quebec. 3. Whether it is true that the waterworks system on this property will soon be worthless. 4. Whether it is a fact that the whole property, situated as it is, only a few minutes distant from Valcartier Station and lying on both sides of Jacques Cartier River, could be sold advantageously. 5. Whether the Government has received any offer for this property or whether any representations have been made on this subject. 6. Name of the present caretaker of the said Valcartier Camp. Under what circumstances and by whose influence he was appointed. Whether his appointment was subject to cancellation at the pleasure of the Government. What his duties are. Who his immediate superior is. Whether the Government receives regular reports concerning this camp and this caretaker. Has the caretaker any assistants. If so, their names and whom appointed. Whether the said camp, as a military property, is inspected from time to time. Whether reports are made to the Department of Militia. Whether the Government is aware that last summer, 1922, there were a large number of people occupying the various camp buildings. In what right and under whose authority said buildings were occupied. 7. Whether the Commanding Officer of Military District No. 5 has any supervision over this property and does he make reports. If so, whether the Government will produce such reports. Whether there is any correspondence between the Department of Militia and the Department of Agriculture, concerning this property. If so, whether the Government will produce it. Salary of this caretaker and his assistants. 8. Whether it is a fact that one of the buildings on this camp was destroyed by fire in the month of January last. Whether a military inquiry was made as to the causes of this fire and to that end were all witnesses sought for or was the department satisfied with a mere report. Whether there are any correspondence or documents on the subject. If so, whether the Government will produce them. 9. Whether it is a fact that in 1915 a road was built from the said camp to Quebec and that the Ste. Catherine public road between Range IV and St. Michel was then closed by the military authorities and that since that time the camp road alone is and can be used. Whether or not this road is the property of the Government and as such must it be looked after by the Government winter and summer. Whether orders were given to this effect and is there any control over the execution of the orders given. Whether it is the caretaker of the camp who is responsible for the maintenance of this road. Presented May 21, 1923. Mr. Delisle.....*Not printed.*

elevator takes out the excess moisture above normal, when drying grain as per their tariff; (c) Whether moisture tests are made before grain is dried in public terminal elevators to ascertain what shrinkage or loss will be charged the owner of the grain by the elevator performing the drying. If not, how is the shrinkage arrived at. (d) Whether the Inspection Department verifies and sees that terminal elevators take out all excess moisture over normal on grain they are drying according to their tariff. 7. What authority the Inspection Department demands of a terminal elevator as to ownership or authorized agency, before any parcel can be loaded out; and whether inspection is made accordingly to ensure that the quality of grain or grain by-products ordered out by the owner or authorized agent is up to that received by the elevator from the owner. 8. Whether the Inspection Department issues and charges a fee for inspecting grain or grain by-products that do not represent the quality as ordered out by the owner or authorized agent. 9. If contract wheat contains one to two per cent of small and shrivelled wheat, whether the Inspection Department makes this car a "clean to clean," or whether they put one or two per cent dockage, as the case may be, on this car. 10. The charges levied by the Government for inspection and weighing grain in each consecutive year since 1912. 11. Whether grain arriving at a public terminal elevator in the Western Inspection Division, carrying a grade certificate and binned under Government supervision, as provided for by the Canada Grain Act, is subject to another inspection charge on being loaded out. If so, why the duplicate inspection. 12. Whether the weighing and inspection charges are based on the actual cost of the services rendered, and how this is determined. 13. Whether the owner of grain, the grade of which is in dispute with the Inspection Department and placed for survey, is entitled to a sealed portion of official sample the survey is determined on. If so, from whom he obtains same. Presented June 21, 1923. Hon. Mr. Stevens.....*Not printed.*

SESSIONAL PAPER No. 1

Payment of Two Chiefs of Party on Same Survey

AUDIT OFFICE, OTTAWA, July 7, 1922.

SIR,—In the examination of the survey account for the season of 1921 of Mr. M. D. McCloskey, for Land Classification I notice that both Mr. McCloskey and Mr. C. M. Walker were paid at the rate of \$9.00 a day as Chief of Party. Mr. Walker originally was shown on the paylist as assistant but this was altered to Chief of Party.

I do not understand how two men can be paid as Chief of Party, on one and the same survey. The duties assigned in the classification schedule to this position of Chief of Party, would seem to provide for one chief only to a single survey. In this case, the whole number of men employed on the survey was so small that it would seem impossible for two distinct parties to be operating in the field on the same survey, there being only, in addition to the two mentioned above, an assistant (S. Hunt, at \$7 a day), an engineering helper, a cook, and a packmaster. I should like to have your reason for allowing both these men to draw pay as Chief of Party. I might add that although Mr. Walker was paid as Chief of Party, ration allowance was drawn for him at the assistant's rate only.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

AUDIT OFFICE, OTTAWA, July 7, 1922.

SIR,—In the examination of the survey account for the season of 1921 of Mr. J. Hardouin for the Revision of the Turtle Mountain Sheet, I find that while Mr. Hardouin was paid \$9.00 a day as Chief of Party Mr. C. Rinfret was also paid \$9.00 a day, although ration allowance was drawn for him at Assistant's rate only. In the paylist the capacity in which Mr. Rinfret was employed is shown merely as D.L.S. I do not see how he could be paid at this rate, which is the rate for Chief of Party, unless he were actually acting as Chief of Party, which position, however, was filled by Mr. Hardouin; if he were employed as assistant his rate of pay should have been \$7.00 a day only. Kindly let me know how you justify this rate of pay to Mr. Rinfret. The whole party on this work was a very small one, consisting only of four men, as a rule, in addition to Messrs. Hardouin and Rinfret.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

Expenses of J. C. Campbell in California

AUDIT OFFICE, OTTAWA, September 27, 1922.

SIR,—In the examination of the expenditure on account of Canadian National Parks, I find that Mr. J. C. Campbell, Director of Publicity, left Ottawa for California on November 26th, 1921, and remained in Los Angeles and vicinity until June 1st, 1922, his total expenses for the period amounting to \$1,420.10. These expenses may be roughly divided as follows:—

Travelling expenses, Ottawa to Los Angeles.....	\$ 192 00
Living expenses at Los Angeles and vicinity to June 1st, 1922..	1,180 00
Car fares, transfers, postage, etc.....	48 10
	<hr/>
	\$1,420 10

In view of the fact that Mr. Campbell remained in Los Angeles and vicinity for a period of six months I have to ask the nature of his activities which required such an extended visit.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, October 26, 1922.

DEAR SIR,—I beg to acknowledge the receipt of your letter of the 27th ultimo relating to the expenses of Mr. J. C. Campbell in California and in reply to inform you that this officer was stationed in Los Angeles and vicinity for a period of six months to make a special study of certain local conditions comprising the following:—

1. To closely study the tourist business as it has been developed in California.
2. From his study to develop ways and means to stimulate foreign tourist business in Canada.
3. To direct attention to and develop business for the Banff-Windemere highway through the Canadian Rockies, which has just been completed this Autumn and which will be open to traffic next Spring.

It is a well known fact that California is the greatest tourist centre of this continent and the yield of tourist business constitutes probably the greatest single item of revenue that the people of that State secure. Californians, however, have never been eager to let the public know just how much money they derive from tourist business or what ways and means they have found most useful to develop this business. It seemed to be important that we should locate a man in California for a sufficiently long time to get at the facts in this connection.

The Canadian National Parks are now bringing in from fifteen to twenty million dollars per annum of foreign money but we are convinced that this is a mere bagatelle to what parks and other scenic areas of the Dominion can attract if the tourist business is persistently and intelligently gone after through judicious advertising. Extensive improvements have been carried on in our National Parks for some time past, the most important in recent years being the completing of the Banff-Windemere Road which was the only uncompleted section of the International Circle Automobile Route. Roughly speaking this Circle Route takes in the Grand Canyon in Colorado; the Yellowstone Park, the U.S. Glacier Park; our Waterton Lakes Park; the Banff and Kootenay parks; the Columbia Valley; the Pacific Coast; the U.S. Mt. Ranier Park; U.S. Crater Lake Park; the Yosemite and Sequoia U.S. Parks.

Mr. Campbell has made judicious distribution of Parks literature in California and developed a connection with newspapers and newspaper writers, automobile clubs and automobile associations and carried on actively in placing Canadian National Parks and the Banff-Windemere highway attractively before the public eye. He circulated a number of motion picture reels in various theatres in California; gave addresses before Kiwanis and other clubs and organizations of that kind and also had displayed a special National Parks feature exhibit in various cities. One of the most important steps taken was getting into close relationship with the Southern California automobile headquarters which largely directs the automobile

SESSIONAL PAPER No. 1

tourist traffic throughout California. Maps and a great deal of information were supplied through this Association. Incidentally I may say that the Secretary of the Association advised Mr. Campbell that he expected to be able to send 5,000 automobiles over the Banff-Windermere road in 1923. Arrangements were also made with the various tourist organizations, business concerns and railroads whereby the Canadian National Parks will be featured in their tourist propaganda. During the coming winter it has been arranged that our National Parks motion pictures and slides of our National Parks will be used by the Universities of California and Southern California in their extension lectures, this being in co-operation with the Canadian National and Canadian Pacific railroads.

From the above you will perceive that Mr. Campbell's duties were of a varied and important character and the useful information he has gathered will no doubt assist very materially to the further development of the tourist traffic in the Canadian National Parks.

Yours very truly,

W. W. CORY, *Deputy Minister.*

The Asst. Auditor General.

Travelling Expenses on Appointment should only be paid on Authority of the Treasury Board

AUDIT OFFICE, OTTAWA, September 27, 1922.

SIR,—Cheque No. 970 issued at Banff in July last is for a payment of \$30.50 to Chas. Duncan for the expenses of himself and wife from Calgary to Banff in June, 1922.

I find that a certificate was issued on September 6th for the temporary appointment of Chas. Duncan as Park Caretaker at a salary of \$100 a month from June 22nd, 1922. The expenses referred to appear to be the expenses of himself and wife to Banff on his appointment although the certificate of the Civil Service Commission authorizing his employment gives his place of residence as Banff. I am of opinion that the expenses of a new appointee from his former place of residence to the place of his employment should not be considered a proper charge against the government except in very exceptional cases and then only on the authority of the Treasury Board. I also notice that Mr. Duncan was paid his salary from June 22nd, although the account for travelling expenses is dated June 27th. Kindly explain the apparent discrepancy.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, October 4, 1922.

DEAR MR. KEARNS.—I have your letter of the 27th ultimo in which you question the account of Mr. Charles Duncan, Golf Professional at Banff, covering the removal of himself and wife, from Calgary to Banff.

In reply I am enclosing you herewith a copy of a memorandum which has been prepared for me by the Commissioner of Dominion Parks, and in addition might say that a successfully conducted golf course at Banff means a greatly increased tourist traffic and consequently increased revenue. If, after reading Commissioner Harkin's

memorandum, you still think the authority of Treasury Board is needed my Minister is prepared to submit the necessary recommendation.

Yours very truly,

W. W. CORY, *Deputy Minister.*

The Asst. Auditor General.

CANADIAN NATIONAL PARKS, OTTAWA, October 3, 1922.

Memorandum:—

Mr. CORY.—Returned herewith, is your reference number 4140, being a letter from the Assistant Auditor General, with respect to the account of Mr. Charles Duncan, Golf Professional at Banff, covering the removal expenses of himself and wife, from Calgary to Banff.

The Assistant Auditor General points out that a Certificate issued by the Civil Service Commission covering the temporary appointment of Mr. Duncan, gives his address as Banff, Alberta. Mr. Duncan's address was no doubt filled in by the Civil Service Commission from information contained in his application, which accompanied the Department's recommendation for appointment to the Civil Service Commission. When any reference has been made to it in correspondence in this Office, his address has been given as Calgary. Regarding Mr. Kearns' contention that the expenses of a new appointee from his former place of residence to the place of his employment, should not be considered a proper charge against the Government, except in very exceptional circumstances, I would say that it has always been the custom since the Golf Links was taken over by this Branch, to pay the expenses of the professional, his wife and family, to and from Banff. This has been done because the salary paid him by the Department has been very very small.

In the past, as at present, the Golf Professional has been nominally appointed as Park Caretaker, but his classification does not convey the proper impression of the nature of his services or of the character of the man who must be appointed to the position. The incumbent must be a professional, qualified to teach golf, he must make arrangements to serve light refreshments at the Club House, and keep for sale or rental, golfing supplies so that all the needs of patrons of the course may be met. The revenue derived from these sources form the major portion of the professional's income. To acceptably fill this position, the professional must be qualified not only professionally, but personality must be a big consideration in making a selection. As stated above it has always been the custom to pay the expenses of the professional and his family to and from Banff, but even with this, the privileges mentioned above, and an offer of \$100 per month would not secure the services this year of the professional employed since 1917. I feel that in view of the exceptional circumstances, the Treasury Board will be willing to grant the necessary authority if the Auditor General considers this necessary.

Regarding the apparent discrepancy between the date upon which Mr. Duncan reported for duty, and the date of the account covering travelling expenses, I may say that as soon as authority was secured for the appointment of Mr. Duncan, he was asked to report immediately to the Superintendent at Banff, which he did. It was taken for granted in this Office that it was impossible to move his family on such short notice, and that the removal of his family to Banff was arranged as soon as possible.

Respectfully submitted,

(Sgd.) J. B. HARKIN.

AUDIT OFFICE, OTTAWA, October 7, 1922.

SIR,—I am in receipt of your letter of the 4th inst. in reply to mine of the 27th ult., with reference to the removal expenses of Charles Duncan and wife from Calgary to Banff on his appointment as Park Caretaker.

In reply, I beg to state that after reading your reply and Mr. Harkin's memorandum I am still of the opinion that the expenses in question should be authorized by the Treasury Board. The expenses of an employee and of his family from his place of residence on appointment or when returning on the expiration of his employment cannot be regarded as travelling expenses on official business but are clearly of the nature of removal expenses. The Governor in Council has ruled that all payments of removal expenses must be authorized by the Treasury Board. In cases such as the present it should be pointed out in making the recommendation to the Board that the expenses in question are on appointment. I have again to request that the authority of the Treasury Board be obtained for the payment of Mr. Duncan's expenses and that the same authority be asked in similar cases which may come up in future.

I am sir your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Advances should not exceed Amount for which officers are Bonded

AUDIT OFFICE, OTTAWA, June 19, 1922.

SIR,—I am in receipt of your application of the 15th inst., for the issue of a cheque in favour of J. M. Wardle for the sum of fifty thousand (\$50,000) dollars, as an advance on account of Highway Construction and Engineering Services in connection with the Canadian National Parks.

This is an exceptionally large amount to be placed at one time at the disposal of a single official, and I think that the amount advanced should be limited by the amount for which he is bonded. I understand from your accountant that Mr. Wardle is bonded to the amount of \$30,000. If such is the case, and if he is bonded in one of the bonding companies approved by the Department of Finance, I am prepared to authorize an advance up to that amount, but no greater. Further advances may be made from time to time as the previous advances are accounted for, but at no time should the amount at Mr. Wardle's disposal exceed the amount for which he is bonded. I return your application herewith.

I am sir your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA June 21, 1922.

DEAR SIR,—In accordance with the request contained in your letter of the 19th instant, I have had the requisition for Mr. Wardle reduced to \$30,000.00 for which please issue cheque. This official is bonded for \$30,000.00 in the Canadian Surety Company and he accounts regularly every month for the expenditures incurred.

I am, sir, your obedient servant,

F. MARCHAND, *Financial Controller.*

The Asst. Auditor General.

Payment of Living Allowance to Mr. F. H. Peters when at Ottawa

AUDIT OFFICE, OTTAWA, April 11, 1922.

SIR.—An Order in Council dated July 23, 1921, authorizes the payment of a living allowance of \$6.00 a day from March 1, 1921, to Mr. F. H. Peters, Field Superintendent of Irrigation at Calgary, who was called to Ottawa to be temporarily assigned to special duties in your department. This allowance has continued to be paid up to the present time. A second Order in Council, dated January 31, 1922, authorizes the payment to Mr. Peters of \$1,084.50, being the amount of removal expenses incurred by him upon his transfer to Ottawa, without increase of salary. The accounts submitted by Mr. Peters show that his household effects were removed from Calgary to Ottawa in the early part of October, 1921.

I am of the opinion that Mr. Peters' transfer must be regarded as permanent from the time he moved his household effects from Calgary to Ottawa, and that he should be called upon to refund all subsequent payments of the living allowance.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

WM. KEARNS, *Asst. A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, May 9, 1922.

DEAR MR. KEARNS.—I have your letter of the 11th ultimo with respect to the matter of payment of living allowance to Mr. F. H. Peters, Field Superintendent of Irrigation, Calgary, who was called to Ottawa to assist in the work of reorganizing the survey services, and in reply may say that this is a complicated situation for which no one is particularly to blame. It results entirely from the present method of making appointments.

As soon as we decided to amalgamate our survey branches under the direction of Dr. Deville, Surveyor General, we instructed Mr. Peters to come to Ottawa because we felt that we needed the advice and assistance of a Field Superintendent who possessed engineering experience as well as surveying experience. The arrangement was altogether temporary, it being contemplated that when the reorganized survey services were classified, Mr. Peters would be assigned a permanent position in the central office if he made good on the organization work.

As he was put to extra expense on account of this we secured authority for the payment of a living allowance of \$6.00 per day on the understanding that this would be dropped as soon as the organization work was completed and the Commission was prepared to deal with the matter of his permanent assignment here. We have a recommendation now before the Commission but until this is dealt with we do not know whether Mr. Peters will be retained here permanently and so we have been continuing to pay the living allowance. Incidentally, it might be stated that no one has been promoted to Mr. Peters' position at Calgary as there is no vacancy until he is permanently transferred to some other position.

I can realize that from your standpoint the passing of the second Order in Council authorizing the payment to Mr. Peters of \$1,084.00, removal expenses, from Calgary to Ottawa, somewhat complicates the situation but I would ask that this be allowed to remain over until we see what action the Civil Service Commission take with respect to the provision of a position here. If it should happen that the Commission agree to classify Mr. Peters at a higher salary from the date upon which he

SESSIONAL PAPER No. 1

took over his present duties in Ottawa then I can see that the Department could not pay his removal expenses. In the meantime, however, until this is settled, I don't think he should be called upon to make any refund; on the contrary, we should continue to pay the living allowance authorized by Council.

Yours very truly,

The Asst. Auditor General.

W. W. CORY, *Deputy Minister.*

Special Grants should have Specific Parliamentary Authority

AUDIT OFFICE, OTTAWA, November 11, 1922.

SIR,—Your cheque No. 4290 of 1921-22, charged to the vote for Protection of Timber, is for a payment of \$5,000 to the Canadian Forestry Association as a grant to assist that body in its work for the conservation of the forests of Canada. This grant, which was authorized by Order in Council of October 7, 1921, was supplementary to a grant of \$4,000 voted by parliament.

While it has been the practice in the past with a number of departments to pay grants to various institutions and organizations from the ordinary appropriations, on the authority of an Order in Council, I am of opinion that such authority is insufficient, and that in all cases of payments where an accounting to the department concerned and to this office is not required, the direct authority of parliament should be obtained. Such authority should either take the form of a special vote, or a clause should be inserted in the general vote to the effect that out of such vote grants may be paid to such institutions or organizations as may be determined by the Governor in Council.

Your department has in the past, as a rule, followed the proper practice of having special grants specifically voted, the case cited above being the only one I can recall at the moment which was paid on the mere authority of an Order in Council. I am of opinion, however, that parliamentary authority should be obtained in every case.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior, Ottawa.

Paiement de deux chefs de brigade sur le même arpentage**BUREAU DE L'AUDITEUR, OTTAWA, 7 juillet 1922.**

MONSIEUR.—En faisant l'examen des comptes d'arpentage de M. M. D. McCloskey pour la saison 1921, relativement à des travaux de classification de terrain, je constate que M. McCloskey et M. C. M. Walker ont tous les deux été payés au taux de \$9.00 par jour en qualité de chef de brigade. Le nom de M. Walker avait d'abord été mis sur la liste comme adjoint mais on a changé son titre en celui de chef de brigade.

Je ne comprends pas comment il se fait que deux individus sont payés en qualité de chef de brigade pour un seul et même arpentage. Les devoirs assignés par la classification au chef de brigade semblent n'autoriser qu'un seul chef par brigade d'arpentage. Dans ce cas, le nombre de personnes employées à cet arpentage est si petit qu'il semble tout à fait impossible que deux brigades distinctes d'arpenteurs aient été occupées à ces travaux, car il n'y avait, en plus des deux chefs susmentionnés, qu'un adjoint (S. Hunt, à \$7 par jour), un aide d'ingénieur, un cuisinier et un maître des animaux de bât. Je désirerais savoir pour quelle raison vous avez permis à ces deux personnes de toucher le salaire de chef de brigade. Je vous ferai remarquer que M. Walker, tout en recevant les appointements d'un chef de brigade, ne toucha que l'allocation de subsistance accordée à l'adjoint.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. ad.*

Le sous-ministre de l'Intérieur.

BUREAU DE L'AUDITEUR, OTTAWA, 7 juillet 1922

MONSIEUR.—En faisant l'examen des comptes d'arpentage de M. J. Hardouin pour la saison de 1921, relativement à la revision du plan de Turtle Mountain, je constate que M. Hardouin en qualité de chef de brigade a été payé au taux de \$9 par jour et que M. C. Rinfret a également touché \$9 par jour, bien que ce dernier n'ait reçu que l'allocation de subsistance d'un adjoint. D'après le bordereau de paie M. Rinfret n'est employé qu'à titre d'A.T.F. Je ne vois pas comment on a pu le payer à ce taux, qui est celui d'un chef de brigade, à moins qu'il n'ait rempli les fonctions de chef de brigade, position occupée toutefois par M. Hardouin. S'il a été employé en qualité d'adjoint, il aurait dû être payé au taux de \$7 par jour seulement. Veuillez me dire comment vous pouvez justifier le versement de tels appointements à M. Rinfret.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. ad.*

Le sous-ministre de l'Intérieur.

Dépenses de J. C. Campbell en Californie**BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, 27 septembre 1922.**

MONSIEUR.—En examinant les déboursés portés au compte des parcs nationaux du Canada, je vois que M. J. C. Campbell, directeur de publicité, a quitté Ottawa le 26 novembre 1921 pour aller en Californie, où il a demeuré à Los Angeles et dans les environs jusqu'au 1er juin 1922. Durant cette période, ses dépenses totales ont été de \$1,420.10; elles se répartissent comme suit:

Frais de voyage, Ottawa à Los Angeles.	\$ 192.00
Frais de subsistance à Los Angeles et dans les environs, jusqu'au 1er juin 1922.	1,180.00
Billets de tramways, voitures, frais de poste, etc.	48.10
	<hr/>
	\$1,420.10

Comme M. Campbell est resté à Los Angeles et dans les environs durant une période de six mois, j'aimerais à connaître les raisons qui ont motivé une aussi longue visite.

Votre humble serviteur,

WM KEARNS, *A.G. ad.*

Le sous-ministre du département de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, 26 octobre 1922.

CHER MONSIEUR.—J'accuse réception de votre lettre du 27 du mois dernier, au sujet des dépenses de M. J. C. Campbell en Californie et je dois vous informer que cet officier a été envoyé à Los Angeles et dans les environs, durant une période de six mois, pour y faire une étude spéciale des conditions locales et principalement:

1. Pour y étudier sur les lieux la manière dont on a attiré les touristes en Californie.

2. Pour y découvrir des moyens de stimuler le goût des touristes étrangers pour le Canada.

3. Pour y annoncer la route de Banff à Windermere, à travers les Montagnes Rocheuses, qui vient d'être terminée cet automne et qui sera ouverte au trafic le printemps prochain, et y attirer des voyageurs.

Il est admis que la Californie est le plus grand rendez-vous de touristes de tout le continent et que ce trafic constitue probablement la source la plus importante des revenus de l'état. Les Californiens ne tiennent cependant pas à ce que le public sache quelles sommes d'argent ils tirent de l'activité que produisent leurs visiteurs, ou à faire connaître les méthodes dont ils se sont servi pour attirer les touristes. Nous avons jugé important d'envoyer quelqu'un en Californie et de l'y laisser assez longtemps pour qu'il puisse approfondir la question.

Les parcs nationaux du Canada rapportent actuellement de quinze à vingt millions de dollars par année d'argent étranger, mais nous sommes convaincus que ce n'est qu'une bagatelle auprès de ce qu'ils pourraient nous rapporter si nous faisons des efforts persévérants et intelligents pour y attirer les touristes, après une campagne de réclame adroitement dirigée. Depuis quelques années, nous avons amélioré considérablement nos parcs nationaux, en particulier par le parachèvement de la route de Banff à Windermere, qui était la seule partie non achevée du grand circuit international de l'automobile. Ce circuit passe par le Grand Canon du Colorado, le parc Yellowstone, le parc du glacier des Etats-Unis, notre parc des lacs de Waterton, les parcs de Banff et de Kootenay, la vallée de la rivière Colombie, la côte du Pacifique, le parc américain du Mont Ranier, le parc du lac Crater, les parcs Yosemite et Sequoia, aux Etats-Unis.

M. Campbell a fait une distribution judicieuse d'imprimés dans la Californie et a fait la connaissance de propriétaires et d'éditeurs de journaux, de clubs et d'associations d'automobilistes. Il a fait une active propagande pour faire connaître du public les parcs nationaux du Canada et le chemin de Banff à Windermere. Il a aussi fourni des films cinématographiques à différents théâtres de la Californie, donné des conférences aux clubs de Kiwanis et à diverses autres associations; enfin, il a exposé dans plusieurs villes les attraits des parcs nationaux. L'une des plus importantes démarches

qu'il a faites a consisté à s'aboucher avec la direction de l'association des automobilistes du sud de la Californie, qui guide les touristes en automobile de la Californie. On a fourni un grand nombre de cartes et de renseignements à cette association. J'ajouterai que le secrétaire a même dit à M. Campbell qu'il espérait pouvoir diriger 5,000 automobilistes sur la route de Banff à Windermere, pendant l'été de 1923. M. Campbell a aussi fait des arrangements avec différentes associations de tourisme, maisons d'affaires et chemins de fer pour qu'ils mentionnent les parcs nationaux du Canada dans leurs réclames adressées aux touristes. Les universités de la Californie ont aussi consenti à utiliser nos films cinématographiques et nos vues des parcs nationaux pour illustrer leurs conférences, au cours de l'hiver prochain, en coopération avec les chemins de fer nationaux et le Pacifique Canadien.

Ces explications vous convaincront que les devoirs assignés à M. Campbell étaient très importants et les renseignements précieux qu'il a obtenus contribueront sans aucun doute à développer sur une grande échelle le trafic des touristes dans les parcs nationaux du Canada.

Votre tout dévoué,

W. W. CORY, *sous-ministre.*

L'auditeur général adjoint.

Les frais de déplacement lors de la nomination à une position doivent être payés seulement sur l'autorisation du bureau de la Trésorerie

BUREAU DE L'AUDITEUR, OTTAWA, le 22 septembre 1922.

MONSIEUR,—Le chèque n° 970 émis à Banff en juillet dernier est destiné au paiement de \$30.50 à Chas. Duncan pour ses dépenses de déplacement pour lui-même et sa femme de Calgary à Banff, au mois de juin 1922.

Je constate qu'un certificat a été émis le 6 septembre pour la nomination temporaire de Chas. Duncan comme préposé de parc à un traitement de \$100 par mois à partir du 22 juin 1922. Les dépenses en question semblent être les frais encourus par lui-même et sa femme pour déménager à Banff lorsqu'il a été nommé bien que le certificat de la Commission du Service civil autorisant son emploi mentionne Banff comme étant l'endroit de son domicile. Je suis d'opinion que les dépenses d'un nouvel employé pour se rendre de l'endroit de son domicile à celui de son emploi ne devraient pas être censées imputables au gouvernement excepté que dans des cas très exceptionnels et encore seulement sur l'autorisation du bureau de la Trésorerie. Je constate aussi que M. Duncan a reçu son traitement depuis le 22 juin bien que le compte pour ses frais de déplacement soit en date du 27 juin. Veuillez avoir la bonté de m'expliquer cette apparente contradiction.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G.A.

Le sous-ministre de l'Intérieur, Ottawa.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 4 octobre 1922.

CHER M. KEARNS,—J'ai votre lettre du 27 du mois dernier dans laquelle vous exprimez des doutes au sujet du compte de M. Charles Duncan, golfeur professionnel, à Banff, couvrant ses dépenses de déplacement pour lui-même et sa femme, lors de son déménagement de Calgary à Banff.

SESSIONAL PAPER No. 1

En réponse je vous inclus sous pli la copie d'un memorandum qui a été préparé pour moi par le Commission des Parcs fédéraux et je dois vous dire de plus qu'un terrain de golf bien dirigé à Banff signifie une augmentation du trafic des touristes et portant une augmentation de revenus. Si, après avoir lu le memorandum du commissaire Harkin, vous croyez encore devoir obtenir l'autorisation du bureau de la Trésorerie mon supérieur, le ministre, est prêt à soumettre la recommandation nécessaire.

Bien à vous,

W. W. CORY, *Sous-ministre.*

L'Auditeur général adjoint.

PARCS NATIONAUX CANADIENS À OTTAWA, le 3 octobre 1922.

Memorandum:

M. CORY.—Je vous retourne avec les présentes votre référé n° 4140 à savoir une lettre de l'assistant-auditeur général relative au compte de M. Charles Duncan, golfeur professionnel à Banff, et visant ses frais de déplacement et ceux de sa femme de Calgary à Banff.

L'assistant-auditeur général laisse entendre qu'un certificat émis par la Commission du Service civil et relatif à la nomination temporaire de M. Duncan indique Banff dans l'Alberta, comme étant son adresse réelle. Il n'est pas douteux que l'adresse de M. Duncan a été gardée à la Commission du Service civil à la suite de la demande écrite de ce dernier et qui accompagnait la recommandation du département à la Commission du Service civil aux fins de la nomination. A chaque allusion faite à ce cas, au cours de la correspondance échangée à ce bureau, l'adresse du sujet apparaissait comme étant à Calgary. Quant à la prétention de M. Kearns que les frais de déplacement d'un nouvel employé du lieu ordinaire de sa résidence à celui de ses fonctions, ne devraient pas être tenus comme ressortissant au gouvernement, si ce n'est dans des cas fort rares, j'irai jusqu'à dire qu'il a toujours été de coutume, depuis que la division a pris charge des terrains de golf, de défrayer les dépenses du professionnel, de sa femme et de sa famille pour Banff et retour. Cette coutume vient de ce que le salaire versé à cette fin a été très, très modique.

Dans le passé comme à présent, le golfeur professionnel a été nominalelement institué gardien du parc, cependant sa classification n'indique pas la vraie nature de ses fonctions pas plus que les caractéristiques du sujet à nommer à ce poste. Le titulaire doit être un professionnel, en état d'enseigner le golf, il doit faire le nécessaire en vue de faire servir des rafraîchissements à la maison du club, enfin mettre en vente ou à loyer les accessoires de golf afin de permettre à tous les clients du jeu d'obtenir satisfaction entière. Les recettes obtenues de ce chef constituent la part la meilleure du revenu du professionnel.

Pour remplir comme il convient ce poste, il faut non seulement que le sujet soit qualifié au titre professionnel mais encore que sa personnalité joue un grand rôle en l'espèce. Comme on vient de le dire, il a toujours été de coutume de défrayer les dépenses de voyage du professionnel et de sa famille pour Banff et retour; mais même ceci admis, en sus des privilèges ci-haut, avec enfin une offre de \$100 par mois on n'arriverait pas à s'assurer cette année les services du professionnel titulaire de ce poste depuis 1917. Je suis d'avis que, du fait de circonstances exceptionnelles, le bureau du Trésor devrait accorder toute autorisation nécessaire au cas où l'Auditeur général jugerait la mesure opportune.

Quant à la marge qui existe entre la date d'entrée officielle en fonctions de M. Duncan et celle du compte des frais de voyage, je puis dire que dès l'autorisation obtenue de nommer M. Duncan, on a prié ce dernier d'avertir sans délai le surinten-

dant à Banff, ce qui fut fait. On a pris pour acquit au bureau qu'il était impossible de déplacer sa famille en aussi peu de temps et qu'il était pourvu à ce que la famille fût transportée à Banff dans le plus court délai.

Respectueusement soumis,

J. B. HARKIN.

BUREAU DE L'AUDITEUR, OTTAWA, 7 octobre 1922.

MONSIEUR.—J'accuse réception de votre lettre du 4 du mois courant en réponse à la mienne du 27 du mois dernier, relativement aux frais de déplacement de Charles Duncan et sa femme de Calgary à Banff lors de sa nomination au poste de préposé de pare.

En réponse, je vous ferai remarquer, après avoir pris connaissance de votre lettre et du mémoire de M. Harkin, que je suis encore d'avis que les déboursés en question auraient dû être autorisés par le conseil de la Trésorerie. Les dépenses occasionnées par le déplacement d'un fonctionnaire et de sa famille lors de sa nomination à un poste quelconque ou lors de son retour à son lieu de résidence à l'expiration de son emploi ne peuvent pas être considérées comme frais de voyage en mission officielle, mais ne sont évidemment que des frais de déplacement. Le Gouverneur en conseil a statué que tous les paiements de frais de déplacement doivent être autorisés par le conseil de la Trésorerie. Dans des cas semblables au cas présent il est bon de faire remarquer au conseil en faisant la recommandation que les frais en question sont occasionnés par la nomination. Je vous demanderai donc de nouveau d'obtenir l'autorisation du conseil de la Trésorerie pour payer les dépenses de M. Duncan et d'obtenir la même autorisation lorsque des cas de ce genre se présenteront à l'avenir.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G.Adj.

Le sous-ministre de l'Intérieur.

L'avance ne doit pas dépasser le montant du cautionnement du fonctionnaire

MONSIEUR.—Je reçois votre réquisition en date du 15 courant demandant l'émission d'un chèque en faveur de J. M. Wardle au montant de cinquante mille dollars (\$50,000) à titre d'avance pour les travaux des voies publiques et des services de génie dans les parcs nationaux du Canada.

C'est là un montant exceptionnellement considérable à mettre, d'un seul coup, à la disposition d'un seul fonctionnaire et je crois que le montant avancé devrait se limiter au montant de son cautionnement. Je tiens de votre comptable que le cautionnement de M. Wardle est de \$30,000. S'il en est ainsi et si ce cautionnement est fourni par l'une des compagnies approuvées par le ministère des Finances, je suis bien prêt à autoriser une avance jusqu'à concurrence de ce montant, mais pas plus. On peut faire d'autres avances de temps en temps à mesure que l'usage des avances antérieures a été exposé, mais en aucun temps le montant mis à la disposition de M. Wardle ne doit dépasser le montant de son cautionnement. Je vous retourne, sous ce pli, votre réquisition.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, A.G.Adj.

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 21 juin 1922.

CHER MONSIEUR,—Conformément à la demande contenue dans votre lettre en date du 19 courant, j'ai fait réduire le montant de la réquisition pour le compte de M. Wardle à \$30,000. Je vous prie d'émettre le chèque. Ce fonctionnaire fournit un cautionnement de \$30,000 garanti par la *Canadian Surety Company* et il nous rend compte régulièrement chaque mois des sommes qu'il a dépensées.

Je suis, monsieur, votre obéissant serviteur.

Païement d'une allocation de subsistance à M. F. H. Peters, lorsqu'il se trouvait à Ottawa

COUR DES COMPTES, OTTAWA, le 11 avril 1922.

MONSIEUR,—Un arrêté ministériel daté du 23 juillet 1921, autorise le paiement d'une allocation de subsistance de \$6.00 par jour, à partir du 1er mars 1921, à M. F. H. Peters, surintendant de campagne, irrigation, à Calgary, qui a été appelé à Ottawa afin d'être temporairement assigné à certaines fonctions dans votre ministère. On a continué à payer cette allocation jusqu'à l'heure actuelle. Un second arrêté ministériel daté du 31 janvier 1922, autorise le paiement à M. Peters de \$1,084.50, ce qui représente le montant de ses frais de déménagement lors de son transfert à Ottawa, sans augmentation de traitement. Les comptes soumis par M. Peters font voir que ses articles de ménage ont été transportés de Calgary à Ottawa, dans les premiers jours d'octobre 1921.

Je suis d'avis que le transfert de M. Peters doit être considéré comme permanent, à partir du temps où il a transporté ses articles de ménage de Calgary à Ottawa, et qu'on devrait lui demander de rembourser tous les paiements subséquents de son allocation de subsistance.

Je suis, monsieur, votre obéissant serviteur.

WM. KEARNS, *A.G.Adj.*

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, OTTAWA, le 9 mai 1922.

CHER M. KEARNS,—J'ai en main votre lettre du 11 éconlé, relativement à la question du paiement d'une allocation de subsistance à M. F. H. Peters, surintendant de campagne, irrigation, à Calgary, qui a été appelé à Ottawa afin d'aider à la besogne de la réorganisation des services d'arpentage, et en réponse, je puis dire que c'est une situation compliquée pour laquelle personne en particulier n'est à blâmer. Elle résulte entièrement de la méthode actuelle d'effectuer les nominations.

Aussitôt nous eûmes décidé de fusionner nos services d'arpentage sous la direction du Dr Deville, arpenteur général, nous donnâmes instructions à M. Peters de venir à Ottawa, parce que nous crûmes avoir besoin des conseils et de l'aide d'un surintendant de campagne, qui avait acquis de l'expérience en génie civil aussi bien qu'en arpentage. Cet arrangement était tout à fait temporaire, l'intention étant que lorsque les services d'arpentage réorganisés seraient classifiés, M. Peters serait nommé à un poste permanent dans le bureau central, s'il réussissait dans son travail d'organisation.

Comme il a dû faire face à des frais supplémentaires à cause de cet arrangement, nous obtînmes l'autorisation pour le paiement d'une allocation de subsistance de \$6.00 par jour, avec l'entente que celle-ci prendrait fin aussitôt que le travail d'organisation serait terminé et la Commission était prête à s'occuper de la question de sa nomination permanente ici. Nous avons soumis une recommandation à la Commission, mais nous ne savons pas avant qu'on en ait disposé, si M. Peters demeurera ici en permanence, et ainsi nous avons continué à effectuer le paiement de l'allocation de subsistance. En passant, je pourrais mentionner que personne n'a été promu à la position de M. Peters à Calgary, vu qu'il n'y a pas de vacance avant qu'il ne soit transféré permanentement à quelque autre position.

Je puis réaliser que d'après votre point de vue, l'adoption du second arrêté ministériel autorisant le paiement à M. Peters de \$1,054.00, en frais de déménagement, de Calgary à Ottawa, complique quelque peu la situation, mais je vous demanderais que la chose reste en suspens, jusqu'à ce que nous voyions ce que la Commission du Service civil va décider au sujet de pourvoir à une position ici. S'il arrivait que la Commission consentit à classer M. Peters à un traitement plus élevé, à partir de la date qu'il a assumé ses fonctions actuelles à Ottawa, alors je peux comprendre que le ministère ne pourrait payer ses frais de déménagement. Dans l'intervalle, toutefois, jusqu'à ce que la question soit réglée, je ne crois pas qu'on devrait lui demander d'effectuer un remboursement. Au contraire, nous devrions continuer à payer l'allocation de subsistance autorisée.

Cordialement à vous,

W. W. CORY, *sous-ministre*.

L'auditeur général adjoint.

Autorisation du paiement nécessaire pour gratifications spéciales

BUREAU DE L'AUDITEUR, OTTAWA, le 11 novembre 1922.

MONSIEUR,—Votre chèque, n° 4290 de 1921-22, imputé sur le crédit pour la Protection des Bois, est destiné au paiement de \$5,000 à la *Canadian Forestry Association* à titre de gratification pour aider cette association dans son travail de conservation des forêts du Canada. Cette gratification, autorisée par l'arrêté du Conseil en date du 7 octobre 1921, devait être ajoutée à une gratification de \$4,000 votée par le Parlement.

Bien que par le passé un certain nombre de départements aient pris l'habitude de payer des gratifications à différentes institutions et organisations à même les crédits ordinaires, en vertu de l'autorisation accordée par un arrêté du Conseil, je suis d'avis qu'une telle autorisation est insuffisante et que, dans tous les cas de paiements où il n'est pas nécessaire de rendre compte au ministère intéressé ou à ce bureau, il faille obtenir l'autorisation directe du parlement. Tel autorisation doit prendre la forme d'un crédit spécial où, à cet effet, une clause doit être insérée dans le crédit général stipulant qu'à même tels crédits généraux on peut payer à ces organisations ou institutions des gratifications selon que le Gouverneur en conseil le pourra déterminer.

Votre ministère a, par le passé, suivi cette pratique d'obtenir un crédit spécial pour ces gratifications spéciales et le cas que je cite est le seul, à ce que je puis me rappeler, où une gratification ait été payée sur la seule autorisation d'un arrêté du Conseil. Je suis d'avis, cependant, que l'on devrait obtenir l'autorisation du Parlement dans tous les cas.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur, Ottawa.

Purchasing Commission's Approval Not Necessary

OTTAWA, 19th May, 1922.

DEAR SIR,—Referring to our conversation about the purchasing of penitentiary supplies, I have no doubt that in view of Sections 3, 27, 36 and 37 of the Penitentiary Act the Purchasing Agent of this department has, under the direction of the Minister, authority to negotiate and conclude purchases of the materials and supplies requisite for the penitentiaries, and that the vendors are in such cases entitled to be paid notwithstanding the absence of any sanction or approval by the General Purchasing Agency or Commission which was established by Order-in-Council. It is, I may say, not found convenient or expedient, nor is it considered compatible with the law as understood by this department to delegate the purchasing authority to the Commission.

Yours very truly,

The Auditor General, Ottawa.

E. L. NEWCOMBE, *D.M.J.*

L'approbation de la Commission des Achats n'est pas nécessaire

OTTAWA, le 19 mai 1922.

CHER MONSIEUR,—Relativement à notre conversation au sujet de l'achat de fournitures pour les pénitenciers, je ne doute pas qu'en vertu des articles 3, 27, 36 et 37 de la Loi des Pénitenciers le proposé des achats de ce ministère soit autorisé, avec l'approbation du ministre, de négocier en vue d'acheter les matériaux et fournitures nécessaires aux pénitenciers, et que, dans ces cas, les vendeurs doivent être payés même en l'absence de toute sanction ou approbation signée à cet effet par le préposé général ou la commission des achats établis par arrêté du conseil. Je puis ajouter qu'il n'est pas à propos ou avantageux, ni même conforme à la loi, selon l'interprétation des fonctionnaires du ministère, de déléguer à ladite Commission les pouvoirs d'achat.

Votre tout dévoué,

E. L. NEWCOMBE, *S.M.J.*

L'Auditeur général, Ottawa.
